Dear Jerry,

Many thanks for the very helpful clippings.

I had not known of "Greetings" or my "part" in it.

I sure would like to have a copy of that footage for the files, for the future, as part of the commentary on the overall. Have you any idea who did it or how they can be reached or asked for it? There is a plan for my files to become part of an unofficial archive at a major University and it would be nice if this could wind up there.

While I expect a different than the movie conclusion, I like the rest and wish it had happened. What a way to plot trajectories, if that is what one normally plots under such wonderful circumstances!

On ~~xxxx~~ Stephens and Henes and conspiracy, those clippins help round out the picture.

Best regards,
